# Edward Kozlowski, A.I.A.

Harris & Associates promotes Ed Kozlowski to Manager of Construction Management for the Northern California Region.

Ed joined the Harris team over 12 years ago. With more than 33 years spent providing design, project management and construction administration, primarily in the medical field, Ed's achievements are both interesting and varied. Ed establishes clear cut protocols to facilitate construction deliveries in very specialized environments and facilities.

Ed consistently addresses the needs of his clients. His teams know they can count on him to secure the resources they need to complete their assignments. He communicates clearly with intelligence and humor, while coordinating the activities of consultants, contractors, architects, in-house staff and regulatory agencies. Whether performing constructability reviews or answering questions from contractors, Ed has an efficient management style that is a plus on any project.

## Did you know?

Ed has attended 38 consecutive Kentucky Derbies and will go for the 39th time Saturday, May 3, 2008!

“Ed takes a forward looking approach to construction that has helped us keep critical facilities operating during construction. Under his direction Ed has brought to the firm a broad range of capabilities.”
