Mario Maciel, PMP, CCM

Harris & Associates names Mario Maciel as Regional Manager for Northern California.

Mario, who previously managed over 100 construction managers, inspectors, and support staff as the head of Harris' Northern California Construction Management group, now moves into his new role of managing over 250 employees. As Regional Manager, Mario takes on a diverse set of responsibilities of overseeing employees that span from program and construction managers, to civil engineers, to administrative and marketing staff.

Mario will lead, monitor and report on the region's business planning and development, its operations, and provide staff oversight.

Did you know?

Mario started playing chess at age 8 and entered his first tournament at age 13. His first win was against an opponent 29 years his senior.

“Mario’s proven leadership capabilities, experience and industry knowledge makes him the best individual for this role. Additionally, as a recognized expert and instructor in scheduling and cost estimating, he brings added benefits to provide training and mentoring for employees.”

- Neil McCosker, Chief Operating Officer

Founded in 1974, we are a professional services firm with a staff of over 450 employee-owners. Since our inception, our program managers, construction managers, architects, and engineers have been serving the specialized planning, design, and construction management needs of our public and institutional clients. By listening to you, we anticipate and respond to any challenges and opportunities that are presented and provide effective responses and solutions.

Harris & Associates is ranked in 26th *Engineering News-Record's* Top 100 CM-for-fee Firms, and *Trenchless Technology's* Top 50 Design Firms.
