Rich Huffman

Harris & Associates appoints Rich Huffman as the Bakersfield Regional Manager.

Rich began his career with Harris in June of 1988, working the last 13 years in California's Central Coast Region. Rich, an Associate and Shareholder with Harris, has a well-deserved reputation as a hands-on leader in the construction management process. He has earned Harris a long list of project success stories including wastewater treatment plants, street rehabilitation and underground utilities.

Rich is currently leading the Harris team on the \$70 million Cross Valley Canal Expansion project for the Kern County Water Agency. This multi-faceted project involves 17 miles of canal upgrading including pump stations, turnouts, siphons, crossings, pipeline connections and a 530-foot triple box culvert. With Rich's vast experience in this type of construction, the project is well on its way to becoming another milestone in his career.

Did you know?

Although he played football growing up, Rich has been coaching little league for the past 10 years and led his team to a championship in 1997.

"In his new capacity as Harris' Bakersfield Regional Manager, Rich's highly honed skills in administration and public outreach, will serve him well as he strives to meet client needs, manage his regional staff and grow the business in the southern San Joaquin Valley area."
