# Rick Darnley

Harris & Associates appoints Rick Darnley as the Central California Regional Manager.

Darnley, a senior construction manager at Harris, moves into his new role as Regional Manager with the responsibilities of overseeing the construction, technical and administrative staffs, and heading the business planning and development in the area.

A life-long resident of the Central Valley, Darnley is a certified special inspector by the International Code Council, a certified concrete field testing technician by the American Concrete Institute, and has his healthcare construction certification by the American Society for Healthcare Engineering.

## Did you know?

Rick was introduced to dirt bikes at the age of nine and prior to reaching his tenth birthday was riding in competitive motocross races.

“Rick is a team player that has continually demonstrated strong leadership abilities, impeccable ethics and dedication to his community.”

– *Mario Maciel, Northern California Regional Manager*

Founded in 1974, we are a professional services firm with a staff of over 450 employee-owners. Since our inception, our program managers, construction managers, architects, and engineers have been serving the specialized planning, design, and construction management needs of our public and institutional clients. By listening to you, we anticipate and respond to any challenges and opportunities that are presented and provide effective responses and solutions.

Harris & Associates is ranked in 26th *Engineering News-Record's* Top 100 CM-for-fee Firms, and *Trenchless Technology's* Top 50 Design Firms.
